Thank you Kim. Could you have a Spanish speaker call the property owner? I would like someone from Advanced Disposal to confirm whether the property owner would like to set up an online account for payments. It seems like this option may work better for the property owner. If you aren't able to have a Spanish speaker call, please let me know and I will try and arrange something.

They do not have an online account set up. Invoices are being mailed to the service address.

Thank you Kim. Do you know what they have set up for billing (automatic withdrawal, paperless billing, paper billing)? They claim that they either have not been receiving the original invoices or that they have been receiving them late.

Also, do they currently have a balance pending for Quarter 3 2020 as well?
