Subject: Correction Orders for 1771 Reaney Ave
Date: Feb 14, 2025 at 7:40:36 AM
To: Gary Blair gary.carpetcourt@gmail.com

Good morning,

After speaking with Leanna, I have updated correction orders for you regarding 1771 Reaney Ave.

1. We need documentation for the contractor you had out as soon as possible. The invoice, license number, and name and contact information of the licensed individual should all be provided together. We need this shortly so we can review them with a Building Official and discuss next steps if/as needed.
2. The retaining wall needs to be repaired under permit.
3. The solar lights are not sufficient for the stairs. The lights need to be able to function at all hours of the day and throughout the entire day. Permanent lights need to be installed.

This process has been going on for several months now and we will be looking at further enforcement action if these are not completed or we do not have copies of signed contracts by our next inspection date of March 10, 2025. Let me know if you have any questions.

Thank you,

Jack
