My name is Cher Lee and I am one of the joint owners of the home located at 399 Hope Street. St. Paul, MN 55106, which you inspected without my permission on August 24, 2017. I am in receipt of your two letters dated July 24, 2017 and August 24, 2017. I currently reside at the property and this is my main residence. Please be aware that this is NOT a rental property and have not been since the time I owned the property in 2004. Your Notice of August 24, 2017 describes codes related to rental properties, which does not apply to my residence as it is not a rental property.

I have been in contact with Mai See Her and she has advised me and my brother, who is also a joint owner of the property, to provide proof of any documentation(s) that we currently reside at the property. We will provide that upon request if needed.

Please consider this my Notice to you to cease any further rental investigations or communications concerning my residence since it not and has never been deemed a rental property by me or my brother.

Cher Lee

Sir,

I spoke to a gentleman about this yesterday. This is a non owner occupied property. The owner show living in Andover which the person that was there during my inspection. You will need to provide documents including your drivers license and mail showing you live at the property. You will also need to make an address change at Ramsey County. I also explained if you disagree with this inspection there is an appeal process stated at the bottom of the letter you received with the deficiencies. I highly encourage you to utilize that process.

Thanks,
