Thank you Marcia. This definitely helps. Mai, do you want me to schedule them for 9:00 AM, or do you have a specific time in mind?

I can't believe that we are only a month out from legislative hearings. Time flies.

Thank you Marcia!

Did the property owner stated why they were contesting the assessment? I will reach out to them but it helps to have some background, if possible. Also do we have contact information for them at this point? I can check for a phone number in STAMP today since I am in the office.

Amended the Assessment Roll at Council just now to refer this to Legislative Hearing 10/15/20.

Testimony came in during the Council meeting.

We'll need a TA and communication with the owner. Thanks!

PS – there was some confusion over the address earlier because 1039 Earl in also in the email. The appeal would be for the Rose address though.
