Sound Level Variance Application
Legislative Code Chapter 293. - Noise Regulations

Application and \$172 fee payment should be submitted a minimum of sixty (60) days prior to the scheduled event start date. A public notification period is required prior to scheduling the application's Public Hearing before the Saint Paul City Council. Applications received fewer than sixty (60) days prior to the event may not satisfy the ordinance's processing timelines for placement on the Council's agenda.

1. Organization/person seeking variance: Monster Series, LLC/Marlene Earll
2. Event Name: Monster Dash
3. Address and physical description of noise source location (Event, Worksite): Lower Landing Park
4. Responsible person: Marlene Earll Title: Assistant Race Director
5. Telephone: 612-272-5026 E-Mail: Marlene.Earll@outlook.com
6. Date(s) variance requested: October 26, 2019
7. Noise source - Time(s) of operation: 8:00 am to 1 PM
- Time(s) of pre-event sound check: 7:45 am
8. Sound level requested (dBA/Decibels): 85 dba
9. Mailing address w/zip 15712 Forest Circle, Burnsville, MN 55306
10. Briefly describe the noise source and equipment involved: Amplified Sound through Speakers for announcements and music for aesthetics
11. Describe the steps that will be taken to minimize the noise levels: we test levels and place speakers as much as possible away from residential and business.
12. State reason for seeking variance (example - music, announcements, construction, etc.): announcements and music
13. A site diagram & map must be attached showing location of noise source(s), streets, stages, tents, etc. (If there will be amplified sound, indicate location and direction that all speakers will be facing).
Multiple locations may require more than one application.
14. Submit completed application, site diagram/map, and \$172.00 fee to:
