6 State specifically what is being appealed and why (Use an attachment if necessary):

Uniform Egress Window Policy - there are several reasons we are making this request. First - our home is stucco and the additional costs were explained to us if we had to put in crank acts. Second - we are changing from casement to double hung for all other windows in the house. Finally - we have purchased window air conditioning units that won't work w/ the crank out windows.

NOTE: A \$25.00 filing fee made payable to the City of Saint Paul must accompany this application as a necessary condition for filing. You must attach a copy of the original orders and any other correspondence relative to this appeal.
