REPORT TO THE COMMISSIONERS

DATE: AUGUST 14, 2019

**REGARDING: RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF  
CONDUIT LEASE REVENUE BONDS UNDER MINNESOTA  
STATUTES, SECTIONS 469.152 THROUGH 469.1655, FOR  
COMMUNITY OF PEACE ACADEMY, 471 MAGNOLIA AVENUE  
EAST AND APPROVING RELATED DOCUMENTS  
DISTRICT 5, WARD 5**

## **Requested Board Action**

Final approval to issue up to \$7,500,000 in conduit lease revenue bonds (“2019 Bonds”) for the Community of Peace Building Company, a nonprofit corporation (“Borrower”) for the benefit of the Community of Peace Academy Charter School (“School”).

## **Background**

The School has operated as a pre-K through grade 12 public school at 471 Magnolia Avenue East since 1995, with an enrollment for the current school year of 804 students (a map is **attached**). The School’s authorizer is the University of St. Thomas.

The School submitted an application to the HRA to issue up to \$7,500,000 in conduit lease revenue bonds to assist in financing the construction of a 30,000 square foot addition that will add 16 classrooms, including rooms for science, music and arts, and to improve their cafeteria and gymnasium. They also plan to renovate select classrooms and other areas to improve their flow and functionality. The project is estimated to cost \$10.37 million, with the current estimated bond principal amount of \$7.15 million, and the balance of the costs covered by the School’s equity and capital improvement fund. A copy of the site plan is **attached**.

In 2015 the HRA issued refunding bonds for the School in the amount of \$14.685 million (“2015 Bonds”), with \$14.165 million still outstanding. The 2015 Bonds refunded HRA bonds issued in 2006 that financed renovations to the School including the construction of a new gymnasium and auditorium.

The Project property is zoned R-4 in District 5 (the profile of the planning district is **attached**). The R-4 zoning permits the School's proposed land uses, however they are seeking variances for lot coverage, building height and parking. The School presented their plans to the Board of Directors of the Payne-Phalen Community Council ("D5") on July 23, 2019. The Executive Director of D5 submitted a letter to the city on behalf of the D5 board in support of the variance requests, including a larger parking variance. Construction would begin in September with completion by the end of August 2020 in time for the new school year. The expansion is expected to result in an increase in student enrollment by an estimated 172, reaching a total enrollment of 976.

On July 10, 2019, the HRA held a public hearing and adopted a resolution providing preliminary approval of the Project and issuance of the 2019 Bonds.

### **Budget Action**

**This is a conduit bond issue.** The 2019 Bonds shall not constitute an indebtedness, liability, general or moral obligation, or pledge of the faith or credit or taxing power of the HRA, City of Saint Paul, or any agency or political subdivision thereof, and shall not constitute indebtedness of any of the foregoing within the meaning of any constitutional, statutory, or charter provision, nor be a charge against their respective general assets, credit or taxing powers, and do not grant the owners or holders of the 2019 Bonds any right to have the HRA, City of Saint Paul or any agency or political subdivision thereof to levy any taxes or appropriate any funds for the payment of the principal thereof or interest thereon. Principal and interest on the 2019 Bonds are payable solely out of the revenues and other sources pledged to the payment thereof as described in the bond documents.

### **Future Action**

No further action is required. The closing is expected to occur in September.

### **Financing Structure**

Baird is underwriting the bond financing. The 2019 Bonds will be rated and offered with estimated fixed tax-exempt interest rates ranging from 2.20% to 5.00%, with a final maturity of 12/1/2049. They have applied for a bond rating from Standard & Poor's ("S&P") and expect to

achieve a rating grade in the BBB category (the 2015 Bonds carry a BBB- rating from S&P).

The 2019 Bonds will be publicly offered in minimum bond denominations consistent with PED's conduit bond policy which will depend on the rating. Our policy requires minimum denominations of \$5,000 subject to obtaining a rating in the BBB category or higher.

Annual debt service is projected to be approximately \$484,000 based on the estimated rates. The total estimated cost of the financing is \$10,367,152 as shown below:

<b>Sources of Funds</b>	<b>Amount</b>
Par Amount of 2019 Bonds	7,150,000
Premium	667,152
