Re: Remove or Repair of the Structure at 1079 ARKWRIGHT STREET

Dear Glen Beske:

This is to confirm that at the Legislative Hearing on Monday, November 10th, 2025, Legislative Hearing officer Marcia Moermond will recommend that the City Council **grant 180 days to rehabilitate the above-named property pending submission and approval of bids addressing all items in the Code Compliance Inspection Report and a schedule/work plan.**

It is an ongoing requirement the property be maintained while undergoing rehabilitation.

This matter will go before the City Council at Public Hearing on **Wednesday, November 19, 2025 at 3:30 pm. in room 300 City Hall.** However **no further action is needed** and the Council will proceed with Ms. Moermond's recommendation above without discussion (pending submission of those items listed above). If those items aren't in, the Council Public Hearing will be continued to **December 3, 2025** to pull those remaining items together and submit them.

If you have any questions, please contact our office at 651-266-8585.

Sincerely,

/s/

Joanna Zimny
