03/31/2017	<u>17 024824</u>	Resolved	CS - CSO Complaint - Parking - FYI - No Response Required	Public Property/Alley Access: A constant issue with cars parking too close to the alley entrance/exit on southbound Victoria St. The alley between Hague Ave and Selby Ave. The ordinance is to not park w/in 5 feet of either side of the alley. There seem to technically be 2 curb cuts, 1 for the alley and 1 for the property on the SW corner of Selby & Victoria. Should both be enforced? In the photo, is the blue car in violation as well as the white one, or just the white one? Do no parking signs need to be put up on either side of the alley as this is now an issue due to

Tori Ramen customers. Please help!
It's extremely dangerous to exit the alley onto Victoria as you can't see any southbound or northbound cars on Victoria. It's only a matter of time before there are accidents. On Victoria St. N., between Hague and Selby and between Fisk and Milton. Issue ID #3304782; St. Paul Connects
