

Kate,

Good morning. I am sending you a note in regard to our conversation on Monday, September 17, 2012 for 998 Bush Ave. St. Paul, MN

PIN #282922340107. I am not opposed to the new zoning being put in front of the Planning Commission Counsel unless it interferes with our past new zoning of a compliant conforming residential, duplex, RT1. I will do my best to be at this meeting. If I cannot, please put this notice in front of whom it would be necessary to process our desire to keep our residential duplex as is.

Sincerely,

Mary I. Neal, Owner
