Dear Sir or Madam:

The City of St. Paul has recently secured the property at 1986 ST CLAIR AVE . This will result in an assessment of these costs to the property taxes.

This work was ordered by a City official to abate a nuisance condition which comprised an emergency. The Department of Department of Safety and Inspections, Code Enforcement Division, can provide more detailed information. The registered property owner will receive notice of these charges and is afforded an appeal process before the City Council.

The cost of this abatement is unknown at this time. A notice of the assessment will be sent to the registered property owner at a future date, which will outline payment and appeal options.

For more information please contact me at 651-266-1930.

Sincerely,

***Dennis Senty***  
Code Enforcement Inspector
