Mr. Flyckt,

This is to inform you that the above-matter is on for City Council Public Hearing on Wednesday, October 24 @ 3:30 p.m. in Room 300. I checked the record and found that the finding of the nuisance building is not abated as there are active permits and no certificate of code compliance has been issued; therefore, Ms. Moermond will recommend that the City Council authorizes DSI to proceed with the nuisance abatement.

If your client wishes to appeal, the hearing is as stated above.
