RE:
File #[redacted]1408A
Assessment #148524
Property Address: 867 Randolph Ave
Parcel ID: 11-28-23-24-0180

To whom it may concern,

My daughter Haley C. Hause came to Saint Paul in August 2010 due to medical issues which your state handles much better than California. In March 2011 the decision was for my adult disabled daughter to reside in Saint Paul and we purchased the above house. At the age of 15 (2003)my daughter was hit by a 18 wheeled Mach truck going 55 mph, killing the driver (her boyfriend) and leaving her with multiple disabilities. On February 11, 2014 to March 18, 2014 Haley C Hause(homeowner and occupant) was hospitalized and again April 2, 2014 to April 8, 2014 for severe seasonal depression, depression, suicidal issues and traumatic brain injury.

I NOW know the snow removal issue for your city and do no argue the merit. I received notification for snow removal (the California address) after the removal service was complete. I called the office immediately, hired AJ Services (name given to me by the office for the disabled) and had all issues handled upon receipt of the notice. Unfortunately, I agree that is was after the city had gone out. I would like to state that although you came out and removed snow at the 867 address, there were multiple addresses on the same street not given notice, with just as much snow on the walkway. When AJ Services came out he noted that the other houses had not been shoveled, singling out an Adult disabled person not even home and hospitalized.

The reason for my letter is to ask that you look at the cost of this assessment for it is outrageously high for shoveling a house front. I apologize for not keeping up with the city ordinance but my main concern at the time was my daughter, her safety and her wellbeing. I ask that you please adjust the cost to a more affordable charge.

I thank you in advance for your consideration. I will be sure in the future that with every snowfall that the property is maintained.
