Ms. Vang:

Thanks for the information on your letter of December 22, 2011. Please inform to Ms. Marcia Moermond LHO, That we appreciate the extension of additional 90 days, but we do not need at this time since the fuel tanks had been removed by Dean's Tank Inc. and a Fire Department Inspector had certified the job. Ms. Kris Skow-Fiske is aware of such inspection by Mr. D. Bergman. Enclose you can find copy of the document "permit" with a note at the bottom. Please let me know if this process has been finished.

Thanks to you and Ms. Moermond and our wish that both of you have a fabulous New Year, 2012.
