As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

I OPPOSE GOVERNMENT-MANAGED TRASH COLLECTION & I URGE YOU TO REJECT THIS FLAWED PLAN.

SAY "NO" TO GOVERNMENT-MANAGED TRASH COLLECTION!

As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

I OPOSE GOVERNMENT-MANAGED TRASH COLLECTION & I URGE YOU TO REJECT THIS FLAWED PLAN.

SAY "NO" TO GOVERNMENT-MANAGED TRASH COLLECTION!

As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

I OPPOSE GOVERNMENT-MANAGED TRASH COLLECTION & I URGE YOU TO REJECT THIS FLAWED PLAN.

SAY "NO" TO GOVERNMENT-MANAGED TRASH COLLECTION!

As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

SAY "NO" TO GOVERNMENT-MANAGED TRASH COLLECTION!

As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

I OPPOSE GOVERNMENT-MANAGED TRASH COLLECTION & I URGE YOU TO REJECT THIS FLAWED PLAN.

SAY "NO" TO GOVERNMENT-MANAGED TRASH COLLECTION!

As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

As residents of Saint Paul, we have the right to choose the garbage hauler and level of service that fits our needs.

City Hall shouldn't be getting between us and the companies who are competing for our business. Taking taking away our right to make our own decisions is wrong. There are far more important things for Saint Paul to focus on instead of "fixing" a system that works just fine.

I OPPOSE GOVERNMENT-MANAGED TRASH COLLECTION & I URGE YOU TO REJECT THIS FLAWED PLAN.
