RE: Additional testimony to be added to the record regarding Legislative Hearing on May 16, 2023, for 1344 Schletti Street appeal regarding 1995 approval of a wood burning heater.

Dear Ms. Moermond

My appeal was granted based on conditions from the 1995 permit requirements. I would like to submit proof of those conditions being met since its inception through present days.

I do not wish to contest any of these conditions. Furthermore, I also certify for the record that I have had a 2A- 10BC Fire Extinguisher since 1995 as was ordered and I have also added a second Fire Extinguisher in March 2023 prior to hearing. Please see attached photos for proof of Extinguisher compliance and add this evidence to the record.

I Thank the City Council and Ms. Moermond for their time and attention to this matter.

Sincerely,

Albert Schuna
