If the incorrect fee is being removed then I have no reason to need to attend the hearing. As long as it's clear that the bill is not my responsibility and attached to the wrong name, I see no need to have a hearing. If you have any further questions please let me know.

Thank you,

Hello Serena,

I just wanted to reach out to inquire as to whether you would like to attend the legislative hearing for 197 SIDNEY STREET WEST on April 2, 2020 at 10:00 AM. We were able to confirm with the garbage hauler that the assessment of \$355.63 was incorrect and are planning on recommending that the assessment be deleted. If you would like to contest this recommendation, you may attend your legislative hearing. However, if you are in agreement with our recommendation, there is no need to attend the legislative hearing.

Please let us know by Wednesday April 1 at 4:00 pm if you plan on attending the legislative hearing. Due to restrictions with COVID-19, we will be doing all hearing via telephone so we will need a number that you can reach you at during the hearing.

Thank you!
