Subject: Griggs/Schaffer project

Greetings,

I am writing to express my concern about the assessment for grading and overlay for this project. During multiple public meetings, city representatives indicated that the assessment for last years project ran at \$80.00 per foot. The assessment for this project is \$119.00 per foot This is nearly a 49% increase in what we have been told, which is completely unacceptable. It appears that Highland Park residents are being told that they must pay a higher price for city services than residents in other neighborhoods.

Thank you for your time,

Bob Congdon
1293 Hartford Ave
