RE: Liquor on Sale -291 or More Seats, Liquor On Sale- Sunday, Liquor On Sale 2AM Closing, Liquor Outdoor Service Area- Patio, and Entertainment B Licenses held by Randall Johnson, RJMP Group, doing business as Billy's on Grand for the premises located at 857 Grand Avenue in Saint Paul.
License ID #: 20200000158

Dear Licensee:

The Department of Safety and Inspections ("Department") has recommended adverse action against the Liquor on Sale -291 or More Seats, Liquor On Sale- Sunday, Liquor On Sale 2AM Closing, Liquor Outdoor Service Area- Patio, and Entertainment B Licenses held by R Randall Johnson, RJMP Group, ("Licensee") herein for the premises known as Billy's on Grand located at 857 Grand ("Licensed Premises") based on violations of your license conditions.

Records at the Department show that this is your first violation within one year.

Under Saint Paul Legislative Code Section 409.08 (5), "Every licensee is hereby made responsible for the conduct of his place of business and required to maintain order and sobriety in such place of business."

Under Saint Paul Legislative Code Section 409.08 (15), "Each on-sale shall have the responsibility of taking reasonable and adequate steps to prevent persons from leaving the licensed premises with a bottle, can or glass containing any alcoholic beverage, and the failure to do so may subject such licensee to adverse action against his or her license."

Saint Paul Legislative Code Section 409.09 (3) makes it unlawful for act on the licensed premises which "encourage or permit any person on the licensed premises to touch, caress or fondle the breasts, buttocks, anus or genitals of any other person."

Saint Paul Legislative Code Section 310.06 sets forth a variety of reasons under which adverse actions can be based. Section 310.06(b)(8) says that adverse action can be pursued when the "licensed business, or the way in which such business is operated, maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public".

Saint Paul Legislative Code Section 310.05 (m)(2) sets the presumptive penalty for a first violation of provisions of the legislative code relating to the licensed activity at a \$500 matrix penalty for a first violation.

Background:

Western District Command made Sgt. Graupman, the SPPD officer assigned to DSI, aware of numerous "quality of life" police calls that they had responded to at the Licensed Premises.

Sgt. Graupman reviewed the police call records and noted that in the past one year period between (1/20/21 & 1/20/22), the Licensed Premises has generated (78) calls for police service and that (20) of those calls were deemed as "Quality of Life" type calls. "Quality of Life" type calls have a direct and negative impact on the surrounding neighboring residential community.

Sgt. Graupman was also advised that the uptick in calls and call types have generated both community concern and have consumed a vast amount of police resources.

Sgt. Graupman was asked to review a number of Case numbers ("CN's") related to Disturbances, Fights, & Assault that the St. Paul Police Department responded to on October 30, 2021 - October 31, 2021 and November 12, 2021 - November 13, 2021. The CN's referenced include: CN 21-227-098, 21-227-308, 21-227-390, 21-236-030 and 21-242-619.

Based on his initial review, Sgt. Graupman worked with DSI Licensing Manager Eric Hudak to draft a formal request for all interior and exterior surveillance video from the business, which is a required condition of their business license (condition #4). The request required video from Saturday, October 30, 2021 from 10:00 p.m. until 1:30 a.m. on Sunday, October 31, 2021 and again on Friday, November 12, 2021 from 10:30 p.m. until 1:30 a.m. on Saturday, November 13, 2021. The Licensee produced the requested video and it was reviewed by Sgt Graupman and DSI Staff.

Violations of license conditions and Saint Paul Legislative Code were observed and Sgt. Graupman pulled out still photographs from the video. These are the basis for the Department's request for adverse action.

Violation #1:

- Permitting a person on the licensed premises to touch, caress or fondle the breasts, buttocks, anus or genitals of any other person. - Saint Paul Legislative Code Section 409.09 (3)
- Failure to maintain order - Saint Paul Legislative Code Section 409.08 (5).
- Operating the Licensed Premises in a manner that maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public - Saint Paul Legislative Code Section 310.06(b)(8).

Violation #1 Facts:

Sgt. Graupman's report details that while viewing the surveillance video from October 30, 2021 to October 31, 2021, he observed a couple engaged in a sexual act at approximately 1:24 hours on October 31, 2021. Based on the actions of the couple he believed they were engaging in sexual intercourse on a patio bench in the closed patio bar. During the time that Sgt. Graupman observed the behavior, security was not observed conducting sweeps of the patio area or monitoring it in any manner.

Violation #2:

- Failure to maintain order - Saint Paul Legislative Code Section 409.08 (5).
- Operating the Licensed Premises in a manner that maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public - Saint Paul Legislative Code Section 310.06(b)(8).

Violation #2 Facts:

While watching the surveillance video produced by the Licensee Sgt. Graupman observed a St. Paul Police Officer enter the patio area from the parking lot to investigate a 911 call that was placed at the business for a Disturbance-Fight. This incident involved multiple people and security was reported to be using a chemical irritant to control the crowd. (Ref CN 21-227-098).

Sgt. Graupman noted that on Channel 06 and 09 of the video, which was taken near the front bar at 1:03 a.m., a group of 8-10 younger bar patrons, are seen on standing east of the front bar area. They begin to verbally argue. The argument escalates and several of the patrons throw their drinks at one another. At this point, security attempts to separate the group. The argument escalates further and individuals are seen pushing, chairs are thrown and punches are exchanged. This caused several patrons to be knocked to the ground. One male, who appears heavily intoxicated, then slips on the floor after being pushed and lands on his back and his head hits the floor. As the male is on the floor another patron then begins to physically assault him by kicking him in the groin area. Security then deploys a chemical irritant to disperse the crowd. The fight continues for a short while and eventually concludes as patrons make their way to the exits of the bar.

Violation #3

Licensee failed to take reasonable and adequate steps to prevent persons from leaving the licensed premises with a bottle, can or glass containing any alcoholic beverage and the failure to do so may subject such licensee to adverse action against his or her license." Saint Paul Legislative Code Section 409.08 (15).

Violation #3 Facts:

Sgt. Graupman also observed and pulled still photographs from Channel 01, 08, & 19 (Rear Bar, Patio, Parking lot) at 11:51 p.m. of a patron purchasing a beer and later leaving the Licensed Premises with the alcoholic drink. The security footage shows the patron leaving the front patio area with the beer at 1:05 a.m. with the purchased drink and that staff failed to stop the patron. The patron is again captured on video walking South through the parking lot and off the premises.

Based on the violations outlined above, the Department has proposed changes and additions to your license conditions.

- Condition #2 is being eliminated based on updates to the off-street parking requirement amendment in the zoning ordinance.
- Additions to license conditions and additional license conditions are underlined.
- Deleted license conditions are noted with strike out.

The Department believes that the proposed license conditions will sufficiently improve safety and help ensure the well-being of staff, patrons and the surrounding community and help you better manage the activity at the Licensed Premises.

1. Wait staff and managers will ensure that IDs are checked so that patrons under the age of 21 will not be served or consume alcohol.
- ~~2. The extension of service as a result of the renovation of the patio area is subject to the consent for the use of three (3) off-street parking spaces from an adjacent parking lot located to the west of the business in accordance with City Zoning regulations.~~
3. Per Fire Inspection Certificate of Occupancy (CofO), occupancy limit is 285 when billiard tables are in the establishment, and 297 when all billiard tables are removed from the premises.
4. Licensee will create a video surveillance camera and lighting placement plan (video surveillance plan) for the interior and exterior of the licensed premises. Licensee will submit the video surveillance plan to the Saint Paul Police Department (SPPD) liaison with the Department of Safety and Inspection (DSI) for review and approval. In accordance with the approved video surveillance plan, licensee will ensure that video surveillance camera system is in good working order, ensure it is recording 24 hours per day, ensure it can produce recorded surveillance video in a commonly used, up-to-date format, and ensure that accurate date and time of day are visible on all recorded video. Licensee will retain surveillance video for a minimum of thirty (30) days. If an incident is deemed serious by SPPD, licensee shall make surveillance video immediately available for viewing by SPPD. If a copy of the surveillance video for a serious incident is requested by SPPD, Licensee shall have the technology, materials and staff available to immediately make the copy. In all other cases, licensee shall provide a copy of the surveillance video to the requestor within 48 hours.
5. License holder shall retain clearly identifiable and appropriately trained security personnel. Clearly identifiable security personnel shall mean a uniform or marked outerwear. Security personnel shall be assigned to each entrance/exit of the licensed liquor service area(s) as well as sufficient roving security to appropriately address minor conflicts to prevent escalation. Security personnel shall start at 10:00 p.m. during any day of operation and shall remain until the establishment has closed and all patrons have left the licensed property and parking lot.
6. Security or staff will conduct outside sweeps of the building and parking lot at least twice an hour to disperse and discourage loitering from 10:00 p.m. during any day of operation until closing and shall remain at the licensed premises until all patrons have left the property/parking lot. All customers/patrons must be off the property/parking lot within 15 minutes after closing time.
7. License Holder shall ensure no alcoholic beverages leave the licensed liquor service area(s).

8. Whenever the establishment is open past 11:00 p.m. no patrons shall be admitted into the establishment 30 minutes prior to closing time. Last call will be given 30 minutes prior to closing time.

You have four (4) options to proceed:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **February 15, 2022**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent agenda for approval of the proposed remedy.
2. You can pay the \$500 matrix penalty and agree to the additional license conditions. If this is your choice, you should make payment and send the signed license conditions back to the Department of Safety and Inspections, at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **February 15, 2022**. A self-addressed envelope is enclosed for your convenience. Payment of the \$500.00 matrix penalty and agreement to the additional conditions will be considered a waiver of the hearing to which you are entitled.
3. If you wish to admit the facts but you contest either or both the \$500 matrix penalty or additional license conditions, you may have a public hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a public hearing no later than **February 15, 2022**. The matter will then be scheduled before the City Council to determine whether to impose the \$500 matrix penalty and/or additional license conditions. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **February 15, 2022**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a public hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.05 (k).

If you have not contacted me by February 15, 2022, I will assume that you do not contest the imposition of the \$500 matrix penalty and additional license conditions. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please contact my Legal Assistant Shawn McDonald at (651) 266-8729.

Sincerely,

Therese Skarda

Narrative 1 Created by: **GRAUPMAN, CHARLES** 01/27/2022, 16:38

Synopsis :

DSI Investigation, into potential licensing & code related violations that occurred between (10/30/21-10/31/21) & (11/12/21-11/13/21), at Billy's on Grand, 857 Grand Ave St. Paul, MN 55105. Multiple incidents involving lewd and disorderly behavior were reviewed, that occurred and originated at the licensed business premise. This case was forwarded to the Department of Safety & Inspection and also the City Attorney Civil Division, for review and possible Adverse Action against the business license.

Narrative :

I, Sgt. C. Graupman am currently assigned to the Department of Safety & Inspection, located at 375 Jackson St. As part of my regular duties, I assist DSI Licensing Inspectors with monitoring, reviewing and recording activities at businesses that pertain to their current licensing conditions. This is done to ensure that businesses are operating within the licensing conditions they are mandated to follow by the City of St. Paul and that public safety is regarded while doing so.

On 11/17/21, I was made aware by the St. Paul Western District Command of numerous "quality of life" police calls that they had responded to at Billy's on Grand, located at 857 Grand Ave St. Paul, MN 55105. A review of police call records and noted that in the past one year period between (1/20/21 & 1/20/22), this property has generated (78) calls for police service. It should be noted that (20) of those calls were deemed as "Quality of Life" type calls, which have a direct and negative impact on the surrounding neighboring residential community. I was also advised that the uptick in calls and call types have generated both community concern and have consumed a vast amount of police resources. The specific incidents I was asked to review closer were Disturbances, Fights, & Assault that the St. Paul Police Department responded to on (10/30/21-10/31/21 & 11/13/21-11/14/21). The CN's referenced include: CN 21-227-098, 21-227-308, 21-227-390, 21-236-030 & 21-242-619.

I then notified DSI Licensing Manager Eric Hudak of the above information I had received & reviewed. Due to the circumstances involved and alleged licensing violations, a determination needed to be made to ensure all licensing conditions and laws, were adhered to by the business.

INCIDENT REPORT

SAINT PAUL POLICE DEPARTMENT

Listed below are the current licensing conditions of Billy's on Grand:

1. Wait staff and managers will ensure that IDs are checked so that patrons under the age of 21 will not be served alcohol.
2. The extension of service as a result of the renovation of the patio area is subject to the consent for the use of three (3) off-street parking spaces from an adjacent parking lot located to the west of the business in accordance with City Zoning regulations.
3. Per Fire Inspection Certificate of Occupancy (C of O), occupancy limit is 285 when billiard tables are in the establishment, and 297 when all billiard tables are removed from the premises.
4. Licensee will create a video surveillance camera and lighting placement plan (video surveillance plan) for the interior and exterior of the licensed premises. Licensee will submit the video surveillance plan to the Saint Paul Police Department (SPPD) liaison with the Department of Safety and Inspection (DSI) for review and approval. In accordance with the approved video surveillance plan, licensee will ensure that video surveillance camera system is in good working order, ensure it is recording 24 hours per day, ensure it can produce recorded surveillance video in a commonly used, up-to-date format, and ensure that accurate date and time of day are visible on all recorded video. Licensee will retain surveillance video for a minimum of thirty (30) days. If an incident is deemed serious by SPPD, licensee shall make surveillance video immediately available for viewing by SPPD. If a copy of the surveillance video for a serious incident is requested by SPPD, Licensee shall have the technology, materials and staff available to immediately make the copy. In all other cases, licensee shall provide a copy of the surveillance video to the requestor within 48 hours.

On 11/24/21, DSI Licensing Manager Eric Hudak assisted me in drafting a formal request of surveillance video from the business, which is a required condition of their business license (condition #4). The requested video was noted in the letter and coincided with the above SPPD CN's referenced. The time period of the request was for the time period starting on: (Saturday, October 30, 2021 from 10:00 p.m. until 1:30 a.m. on Sunday, October 31, 2021) and again on (Friday, November 12, 2021 from 10:30 p.m. until 1:30 a.m. on Saturday, November 13, 2021).

The drafted letter required that a copy of all interior and exterior video camera surveillance footage from the business be delivered to the Department of Safety & Inspection located at 375 Jackson St. Suite 200 in St. Paul, MN. no later than 4:00pm on Monday, November 29, 2021. (4) copies of the letter were drafted.

The first copy was mailed via U.S. postal service to the point of contact listed on the License: Wesley Spearman, 204 N. McCarrons Apt #8, St. Paul, MN. 55113. A second and third copy were mailed via U.S. postal service to points of contact listed on the License: Randall Johnson, 7504 269th Ave. NE. Stacy, MN. 55079. and Darcy Golish 2238 Heath Ave. N. Oakdale, MN. 55128. DSI Licensing manager Hudak hand delivered and emailed the fourth and final copy to the business on 11-24-2021.

On November 30, 2021, I began reviewing the requested video which was received by DSI and made the following observations:

INCIDENT REPORT

SAINT PAUL POLICE DEPARTMENT

10/30/21-10/31/21

Lewd Conduct: Channel 01 (Front Patio) @ 0124 hrs., A B/M and W/F, emerge from behind the closed patio bar area and began to engage in intimate physical contact, by touching and kissing. The couple then walks to a patio bench and continues to engage in intimate physical contact. The female then sits on the lap of the male, faces away from him and lowers her pants while using her jacket to conceal her lower region. It appears the male then unzips his own zipper on his pants and the female then begins to sit back down on his lap. The couple then begins to engage in what appears to be sexual intercourse over the next several minutes. At 0126 hrs., a St. Paul Police Officer enters the patio area from the parking lot to investigate a 911 call placed at the business for a Disturbance-Fight, involving multiple people and a report of security using a chemical irritant. (Ref CN 21-227-098). As the Officer walks past the couple to enter the business, the couple ceases what they are doing. The Officer does not witness the lewd behavior and continues to walk towards the entry, in order to investigate the fight call inside. As the Officer is inside, the couple begins to readjust their clothing, and ceases their conduct. Shortly thereafter, the Officer re appears on camera to leave, and the couple eventually leaves the patio area.

Assaultive & Disorderly Behavior: Channel 06 & 09 (Front Bar) @ 0103 hrs., A group of 8-10 younger B/M's and B/F's bar patrons, are seen on video standing east of the front bar area and began to have a verbal argument. The argument begins to escalate and several of the patrons begin to throw their purchased drinks at one another. (2) B/M's wearing security shirts, then attempt to separate the group. The argument then begins to escalate further into pushing, chairs being thrown and punches exchanged by the group causing several patrons to be knocked to the ground. A W/M wearing a gray polo shirt, who appears heavily intoxicated, then slips on the floor after being pushed, and lands on his back as his head hits the floor. As the male is on the floor a B/M, then begins to physically assault him by kicking him in the groin area. Security then deploys a chemical irritant to disperse the crowd. The fight continues for a short while and eventually concludes as patrons make their way to the exits of the bar.

Purchased Alcohol Leaving Bar: Channel 01, 08, & 19 (Rear Bar, Patio, Parking lot) @ 2351 hrs., A B/M patron wearing a orange sweatshirt, is seen purchasing an alcoholic beverage (beer), at the rear bar. The male is later seen leaving the front patio area @ 0105 hrs. with the said purchased drink and continues to leave without being stopped by staff. The male is again captured on video walking South through the parking lot and off the premise.

A copy of this report, the referenced reports, police call data (1/20/21-1/20/22), (2) copies of the original video on flash drives and still images captured with said conduct were forwarded to DSI Licensing Manager Eric Hudak and DSI Assistant City Attorney Therese Skarda for review and possible Adverse Action.
