Why Force me to move my cars and
We just park them in the back yard
of my house and in the back of the
house it's not grass, we dumped it
completely and if we have to move everything
give us time until the summer when the road is
smooth and snowy, Because behind the house, the
str. slope is very high and dangerous

If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City.
