Owner/Person Completing Form: john renwick

Ticket Comments:

*i do not have a previous hauler and have no service as long as living there on purpose
i am disputing the bill*

*The basis for the dispute is that I did not, preceding the cities takeover of services, have garbage service for my unit nor did the association overall.
It is a unit by unit basis and I only used recycling.*

Did Republic service three carts at this property prior to switch?

Thank you,

Jillian
