Hi Mai,

Their most recent activity involved a revocation of an assignment of mortgage. Essentially the lender voided an assignment of mortgage because of a mistake (see attached). No other activities have been recorded after that date of activity.

Thanks,
Zong

Hi Mai,

Attached is a list of the activities that occurred chronologically on the property for the Ray's property. Most recent activities are on the second page and it doesn't look like there were any foreclosure actions filed. Last foreclosure action was in 2009. Let me know if you have any questions.

Thanks,
Zong
