RE: Animal Boarding Commercial License license application submitted by Sandra Belisle d/b/a Sandy's Professional Dog & Cat Grooming for the premises located at 360 Clifton Street in Saint Paul, License ID #20070000410

Dear Mr. Lundgren,

On behalf of my client, Sandra Belisle, I write to request a hearing before the Saint Paul City Council, regarding the above referenced matter.

My client admits to the facts stated in your letter of August 30, 2011, as follows:

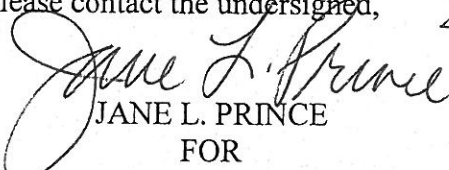

On July 22, 2011, my client received a final petition requirements notification letter from DSI, as you have stated. By the deadline of August 5, 2011, my client could get only 66 percent of her residential neighbors to sign the petition.

My client is aware that she needed to complete outstanding unmet requirements in order to obtain her license by August 26, 2011. (She had contacted Ms. Corinne Tilley at DSI, and they reached an agreement in May, on an approved site plan for the parking.)

Ms. Belisle is prepared to move forward with all the license requirements, pending resolution of the residential neighbor petition issue.

Therefore, Ms. Belisle wishes to be heard by the City Council on this licensing matter, which is vital to the continuation of the pet grooming and boarding business, which she has operated in Saint Paul for over 30 years.

If you have any questions, please contact the undersigned,
