Hi Kris,
I apologize for the delay. I inadvertently checked the box after talking with you.
To that point;
Please withdraw my application for the former Hot Rods space at 1553 University Avenue West.

Should anything change, I'll be back at your doorstep. I look forward to having you visit The Midway Saloon.

Sincerely,

David

I still need your withdraw by the end of the day. Otherwise I will be sending it forward to the City Atty. for denial.
