J2204E is correct. Only one was being dismissed.

If it has gone to assessment, I can prepare a resolution to delete one. I am assuming it's J2204E.

Subject: 1050 Oxford St N - Assessment

Good morning Mai,

I have an Excessive Consumption Fee that went to Assessment on this property. There were actually two Fees, but Inspector Otis Warner had agreed to dismiss the second fee: Bill #1581968, Payment #1487516 on 9/1/21. Inspector Warner forgot to delete the Fee and now it has gone to Assessment.

The Property Owner, Thomas McDonough, called Inspector Warner after receiving the Assessment letter and asked how we can correct the situation. Is it possible to delete the Assessment without filing an Appeal?

Please let me know how to advise the Property Owner to make this right.

Thanks,
Dick
