Thank you Jim! I just spoke with the property owner. They said that they requested a smaller container from Advanced Disposal and it was delivered sometime in January 2020. Did the property owner ever receive a credit for this? If so, please provide a breakdown of how and when they were applied to the account. Please also confirm with us cart size that was delivered.

Correct. The payment was posted after the quarter end. The payment was then applied to the 2<sup>nd</sup> quarter. The amount was less because of a temporary service level change. The remainder of the payment was then applied to a portion of the 3<sup>rd</sup> quarter charge.

Hope that helps.

Hi Jim,

Thanks for the suggestion. We understand the timing issue. We just want to make sure we have all the answers as we will have to sit in front of the City's legislative hearing office and walk her through this process.

Basically, payment for Q1 2020 was made April 1, that is after the last day to pay the Q1 2020 bill, as such, the payment was applied to the Q2 2020 bill, and the Q1 balance was sent to the city as an assessment.
