Search Warrant

**Narrative :**  
On 03/06/2022 I, Sgt Sandell (SWAT Team Leader), responded to SPPD HQ's along with Sgt. P. Murphy to serve a Tier 2 search warrants for the Homicide Unit. Sgt. P. Murphy and I were assigned to ECHO1 along with the following officers, D. Sachi, R. Lokhorst, C. Rutschow, J. Finnigan, Capecchi, & H. Men-Carrion.

We were briefed by the Homicide Unit and reviewed search warrants for 587 Marion Ave.

ECHO 1 arrived at 587 Marion Ave at approximately 2054hrs. Sgt P. Murphy knock and announced our presence and identified us as the St Paul Police Department. He also verbalized we had a

search warrant and asked all occupants to come to the door. These announcements were made several times and in a loud manner. The announcements were loud enough to cause occupants in neighboring units to come out of their apartments. We did not receive any response from inside 587 Marion Ave. We made a final announcement that if the occupants did not come to the door, we would force entry. We gave any occupants time to respond to our request. We again did not receive any response.

At 2057hrs we breached the front door with the use of a ram. Once the front door was open Sgt. P. Murphy again gave verbal announcements for any occupants to come to the door or announce their presence, we received no response.

Officers then made entry to secure the residence for investigators. The residence was unoccupied. We handed over control of the residence to the Homicide Unit once it was secured. ECHO 1 then cleared from the residence.

**Narrative :**

On 03/06/2022, at about 2000 hours, I (Officer RUTSCHOW) was assigned with a SWAT contingent group to do a search warrant on 587 Marion St. See original report for further details on the warrant.

After our team made knocks and announcements outside the door without answer from inside, I moved into position with the "RAM" tool. I used the tool to hit the door near the handle in order to open the door and allow our team access into the apartment.

I delivered one hit onto the door and it opened. I then dropped back into a line with our team and we commenced searching the apartment.

**INCIDENT REPORT**  
**SAINT PAUL POLICE DEPARTMENT**

On March 3, 2022 at 1900 hours I, Sergeant Murphy, responded to headquarters to execute a tier two search warrant for the homicide unit at 587 Marion. I met with SGT. Schwab who was the affiant for the warrant.

Following approval from Commander Flynn the search warrant was executed at 587 Marion. I knocked on the door several times and announced "police we have a search warrant for 587 Marion" and other versions. The neighbors one door to the south (585 Marion) heard the knocking and opened their door. They were told we were at their neighbors and they could close the door. I continued to make additional announcements with no response or movement inside. I asked other members of entry team one if they heard or saw anyone, no person was seen or heard. I told Officer Rutchow to use the ram and force open the door. See his report for details.

Following the door being forced open more announcements were given and a pause before and entry was made into the residence. The team slowly cleared 587 Marion finding the unit to be empty.

The members of entry team one were: SGT. Sandell, Officers Degree, Rutschow, Sachi, Lokhorst, Mena-Carrion, Capecchi, and Finnegan.

The homicide case number is 22-036-260.
