Ordering the rehabilitation or razing and removal of the structures at 975 HUDSON ROAD within fifteen (15) days after the May 26, 2021, City Council Public Hearing. (Amend to remove within 15 days)

Marcia Moermond, Legislative Hearing Officer: This has been in front of you for seven months without receiving a vote for either rehabilitation or removal of the structure. Plans have not been forthcoming. Just this last weekend the most recent set of plans fell through for the rehab. Those plans were developed after the Council gave grace for their development. The owner has been unable to move forward on her own and the grant of time last time was contingent upon someone other than the owner doing the

rehab. I'm asking you continue the Public Hearing to January 12 to allow one more opportunity for the property to be rehabilitated by a different third party, and not accept a plan by the owner at that time to do the rehab. Given the length of time and number of failures it is a matter of no confidence on my part. The attorney representing the owner and I have talked throughout the day about this plan, and he has chosen not to testify now.

Councilmember Prince moved to continue the public hearing to January 12.
