Ms. McMonigal-St. Dennis:

The Como Community Council board voted Aug. 21 to support the sound-level variance for Sunday Sept. 16 for the Out of the Darkness Walk in Como Regional Park. We support the variance under the conditions recommended by staff:

- The variance be granted only for the hours of 9 a.m.-1 p.m.
- A pre-event sound check be allowed no earlier than at 8:30 a.m.
- Electronically powered equipment not exceed 90 dBA as measured 50 feet from any sound source

We also request that amplified sound sources be directed as much as possible east and northeast, away from the nearest residential areas

Sincerely,

(signed) Michael Kuchta  
Executive Director
