CITY ATTORNEY

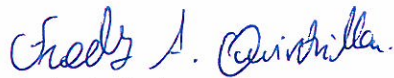

Saint Paul City Council

Attn: Geoffrey Karls

Dear Mr. Karls,

I, Fredy Aristides Quintanilla, Owner of Fredy Auto Repair, wish to admit to the facts found by the DSI inspector on August 28<sup>th</sup>, 2014. Since that date, I have made several improvements in my shop and plan on strictly following the license conditions. I will gladly follow the new conditions, unfortunately, I do not have the means to pay for the \$500.00 matrix penalty charge. Therefore, I am writing this letter with my statement that I admit to the facts but I contest the penalty and wish to have a public hearing before the Saint Paul City Council.

Thank you,

Fredy A. Quintanilla
