My name is Gregory SCHONES. I'm a retired high school principal work at St. Paul Schools for 35 years. I have worked with many, many fine police officers and also Bob Fletcher, the Sheriff. I am totally unhappy and against any kind of Council feelings to abolish live on patrol. Totally willing to come and talk about my feelings, but I along with a lot of other folks, are noting that live on patrol shows a compassionate and day by day workings of what police officers do, which I feel is totally necessary, especially in this day and age and with the policies that are coming out of the Mayor's office. I think we need this more than anything. My e-mail address is gregjones@gmail.com. My telephone number is 612-865-6654. I appreciate you listening and hopefully we can maintain and keep life on patrol going. Thank you.
