Subject: Lamplighter Lounge public hearing 3/24/21
Date: Tuesday, March 23, 2021 11:53:02 AM

To St. Paul City Council,

As local residents, we are very concerned about how dangerous the Lamplighter Lounge is to the surrounding communities of St. Paul, Roseville and Maplewood. Too many have been victims of disturbing the peace, disorderly conduct, public drunkenness, obscene & illegal behavior, child kidnapping, criminal damage to property, auto theft, aggravated physical assaults, domestic violence, vehicular hit and run deaths, discharging of firearms and murders. The amount, 700+ in 3 years, of police calls is shockingly high!

Please, for public safety, do not renew this business license.
