This is a courtesy copy of an email bulletin sent by Joseph Voyda.

This bulletin was sent to the following groups of people:

Subscribers of ENS - D14: Macalester-Groveland Community Council who answered "District 14 - Macalester Groveland" to "Select one or more District Council areas for which you would like to receive information about." (225 recipients)

An application for a sound level variance has been received from Ross Larson, for Lemetti & Sons Inc, for City Wide sewer lining, City Project #18-S-2049, on Saturday June 1st through Thursday August 1st from 6pm to 7am. Construction activities will be scheduled to minimize noise as much as possible in the late night and early morning hours. The event will be located at Stanford Between Cretin and Mt. Curve and at Wellesley between Cretin and Mt. Curve and at Macalester between Grand and Summit. Further details concerning this event will be forthcoming.
