Good morning Ms. Bowron,

Thanks for the update! This was reviewed by Supervisor Kedrowski & the hearing officer and are considered sufficient. I'll send a formal follow up letter as confirmation on Friday, but the inspector will close the file and the Legislative Hearing officer will recommend the appeal is denied noting that compliance has been achieved.

Thanks so much, let me know if you have questions,

Joanna

**Think Before You Click:** This email originated **outside** our organization.

Dear Joanna and all-

Over the weekend we made changes that we think solve the gutter problem both for now and for good. I hope you all agree!

As we discussed, this downspout only drains a small corner of the roof, so we think this will be just fine even tho it's not far from the house. If it ends up being too much in one spot, I can make a little pebble pond and do the plantings differently around it. Better that than a downspout across the pathway.

Here are the photos, and thank you-
