Sound Level Variance Application

City of Saint Paul Noise Ordinance (Chapter 293)

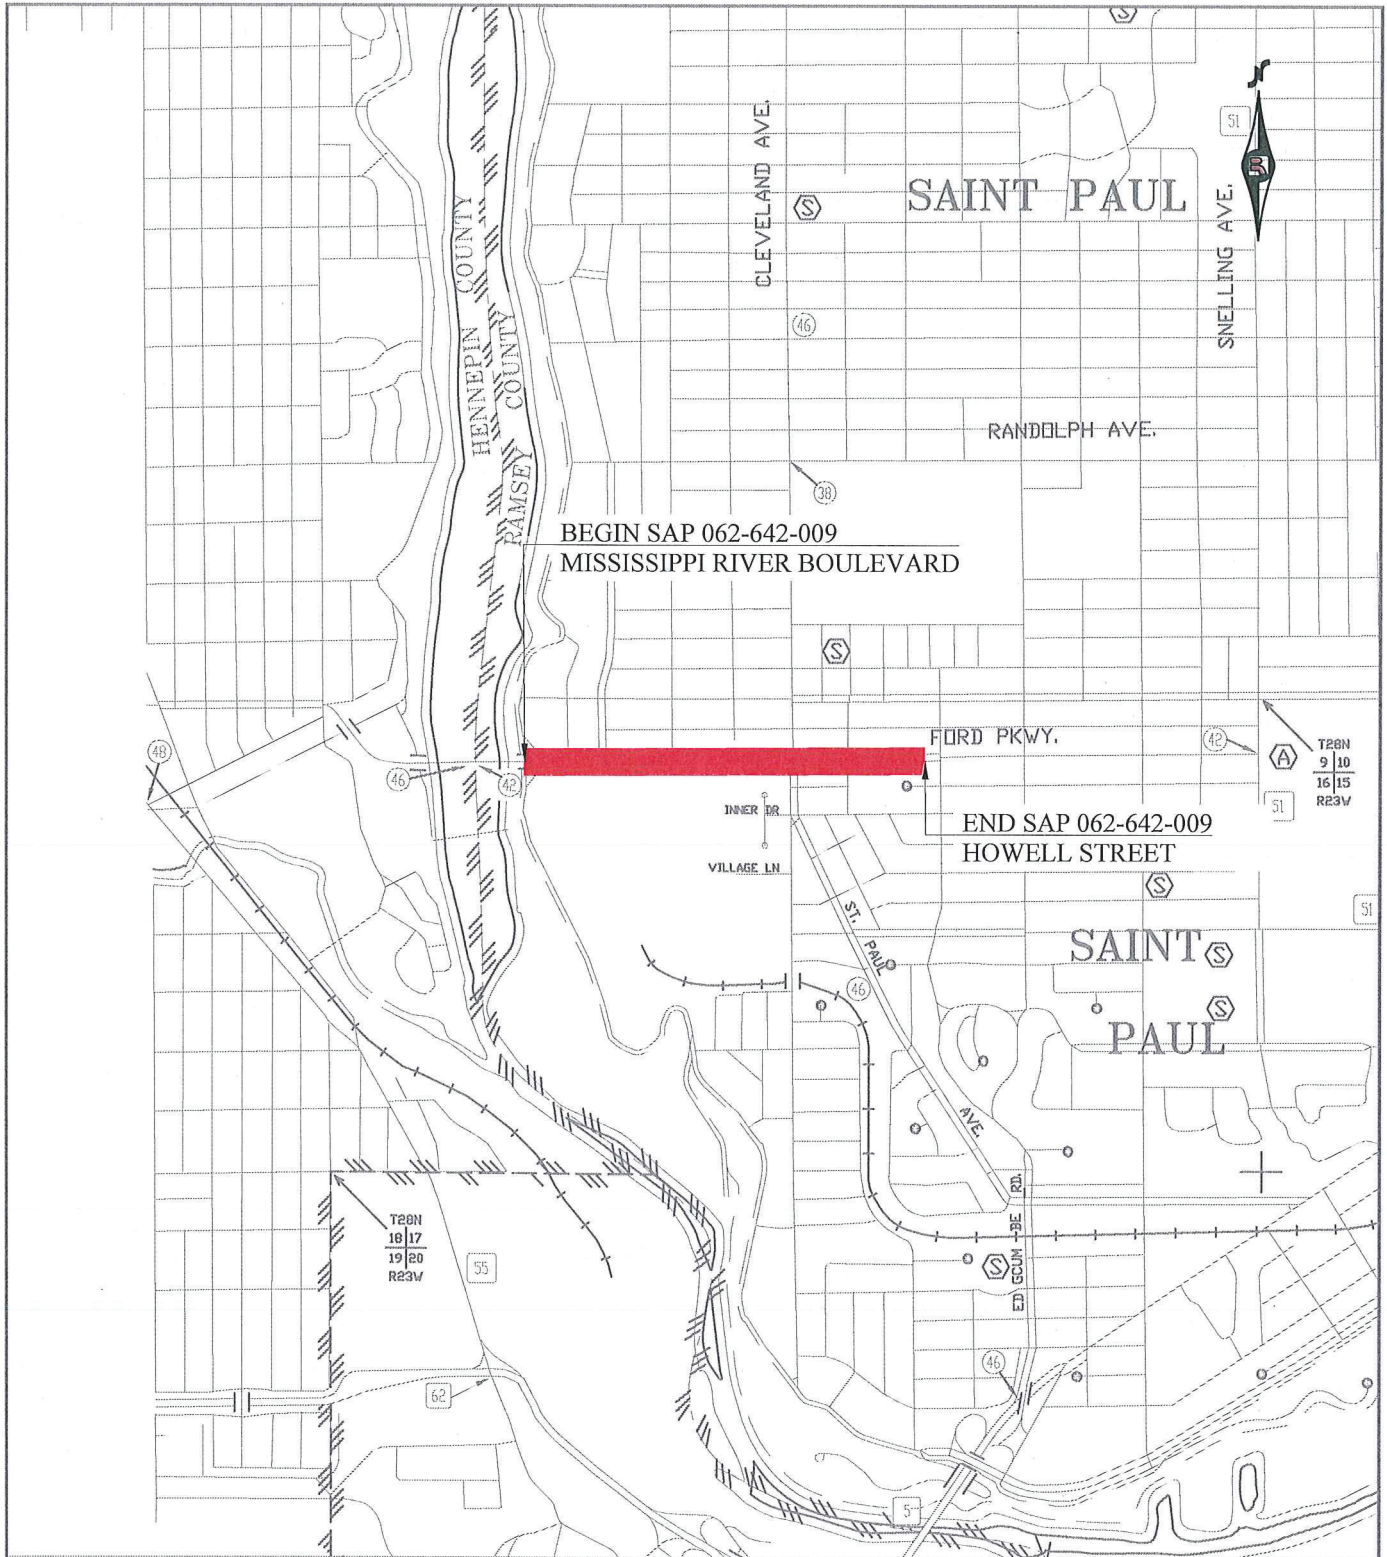

Note: A public hearing before the Saint Paul City Council is required. Application and fee must be received no fewer than forty five (45) days prior to the public hearing date that is before the requested Variance start date.

1. Organization/person seeking variance: Park Construction Company (Chris Grimes) (Project Manager)
2. Mailing Address w/zip code: 1481 81st Ave Ne, Minneapolis, MN 55432
3. Responsible person: Chris Grimes Title: Project Manager
4. Event Name: 2017 Ramsey County County Wide Mill and Overlay Construction Project
5. Telephone: 763-786-9800 E-Mail: cgrimes@parkconstructionco.com
6. Date(s) during which the variance is requested: October 16 - October 30th Weather Dependent
7. Noise source - Time(s) of operation: 9:00 PM to 6:00 AM on the days listed above
- Time(s) of pre-event sound check: TBD
8. Address or legal description of Noise source: Road Construction Equipment on Ford Parkway from Mississippi River Blvd to Howell Street and Cleveland Ave from St. Paul Ave to Ford Parkway
9. Sound level requested: Construction Vehical Noise (Skidsteers, Milling Machine, Paving Machine, Rollers
10. Briefly describe the noise source and equipment involved: Road resurfacing equipment the equipment will consist of; skidsteers, quad axel dump trucks, asphalt paving machine, asphalt milling machine, asphalt rollers, street sweeper. We will not be doing any jackhammering at night.
11. Describe the steps that will be taken to minimize the noise levels: We will minimize the amount we have to put our equipment into reverse thus triggering the back up beepers. The construction vehicals produce noise and there is little that can be done to eliminate the noise from heavy machinery, but we will do what we can.
12. State reason for seeking variance (E.g. music, announcements, construction, etc.): Construction Project that is contracted through Ramsey County in order to provide safe road conditions for works, peds, vehical traffic during the project and to make improvements to the road that will last for years to come.
13. Attach site diagram showing location of noise source(s), streets, stages, tents, etc. (If there will be amplified sound, indicate location and direction that all speakers will be facing.) Multiple locations may require more than one application.
14. Return completed Application, Site Diagram, and **\$172.00** fee to: **CITY OF SAINT PAUL**
