John, The crew went out on Tuesday to inspect and the key bock did not work so they cannot do the inspection. Please let us know if you can get this fixed.

Steve,

I just faxed the attached Code Compliance Inspection Request over to DSI; lockbox code is included. I wanted to ensure you were aware that I have submitted this, as it is my understanding that you and/or Marcia were going to assist with getting inspections set up as soon as possible (given that my client's deadline to submit everything is Dec. 21st). My client previously obtained bids based on the initial code violation letter, which should hopefully be easily supplemented / amended following the inspection report.

Let me know if you have any questions or if there are any issues with gaining entry to the property.

Thanks,

John
