09/15/2015	15 159691	Open	BW - Building Warning - Stop Order	use for events along with trail/interpretive center) Owner St Paul Downtown Airport - WARNING: This property is located in a National Register Historic District or Site and/or a Minnesota State Historic District or Site (that is not in a locally designated district or site). Under Minnesota Statute 116D.04, permits for any exterior work including the demolition, partial demolition, or moving of buildings or structure on the property cannot be issued until PED has determined if the proposed work requires completion of an Environmental Assessment Worksheet [EAW]. Notify applicants that the property is located in one or more of the historic districts/site. Inform them that the law requires the City to determine if an EAW is required before permits may be issued. Advise applicants to contact HPC staff in PED for information about the EAW process. For the purposes of this WARNING, partial demolition means any work involving the dismantling, razing, or removal of any structural member that provides bearing and anchorage to the building or structure's exterior framework and/or walls, or portions thereof, and specifically including any work incidental thereto.

08/01/2012	12 088778	Resolved	CS - CSO Complaint - Park/Playground - Complaint	A light fixture on outside of City House next to the Mississippi River has been damaged. Three lights are on north side of building. Since last week, the middle light is glaring all night.

			On Monday 7-23, I spoke with an electrician who is working on inside of City House. We looked at the light; he said probably someone threw a rock. The metal fixture itself is damaged and the light bulb is broken. Can you please send someone to fix this problem? Normally the three lights cast a soft light on the red brick building. Now it has a glaring light.
