Good morning, I did not know at the time that this was a VB2 when I gave them permission to occupy the building. They had some exterior work that still needed to be completed. They were working on getting that done at the time of the inspection. All of the other trades had their finals completed. All of the life safety items were in place and working at the inspection.

Thanks,
Mike Palm

Hi Mike,

I am attaching a copy of the minutes from our hearing on Oct 5. I followed up with Nathan Bruhn and he indicated that you were the inspector who approved owner to reoccupy the building. Can you give us some more information how it got approved for reoccupation. Marcia's recommendation at the moment is forthcoming.
NOTE: Owner appealed the VB fee.

Thank you!

Mai Vang
