Councilman Tolbert

PLEASE DO NOT ALLOW a very dangerous precedent to begin. I have lived in Mac Groveland my entire life and I can tell you it is very upsetting to me and to all of my neighbors to know that St. Paul is considering changing lot lines to accommodate larger structures than allowed by current city codes. Have you not heard the uprising from the neighborhood already on this situation? I beg of you to listen to your voters and KEEP ST. PAUL LOT LINES STRAIGHT.
