YaYa:

I apologize this came in so late to you. This is in regards to [ABZA 15-2](#) Public hearing to consider the appeal of Rafic Chehouri

I just wanted to support the requests for the variance on the Gerber Jeweler. I strongly believe that by allowing the structure to be built will actually make Grand Ave nicer. The present store front is not as charming as the new store front would be.

I believe granting his request will make Grand Ave even more attractive and bring in more business.

I hope you had a great holiday season,
