Re: 725 Raymond Ave- Dual Citizen Brewing Co.

To: City Council,

regarding the sound level letter we have received from you, we would like to make a comment on previous events.

Last year, I was at my property at 2356 University Ave W. which is across the street from Dual Citizen Brewing Co.

They were having an event that was amplified and broadcast very loudly. The entertainer was a woman with the most foul mouth. She kept spewing profanities like it was Woodstock or something. I think she was trying to be edgy, but was obviously wrong in the venue, and in the message she was trying to project.

I was embarrassed as I was loading boxes on my property, with my Mom, who has hearing loss. Thankfully, she couldn't hear the foul language. There are also numerous children in this area who shouldn't hear such language.

As a neighboring property owner, I feel I don't have a problem with the noise but with the character and content of their performing artists.

I'm hoping they will consider being a good and considerate neighbor this year.
