A regional initiative to end homelessness
in Saint Paul and Ramsey County

2017 Ramsey County Point In Time Count

Prepared for the Heading Home Ramsey
Governing Board by

Mark Herzfeld and Zachary Hylton

05/19/2017

Important Findings

- **Total Count of Persons**

- Not including doubled up, small increase of 6.8% from 2016 to 2017 (1,346 to 1,438 for HUD total)
- Including doubled up, significant increase of **45.8%** from 2016 to 2017 (to 1,963)

- **Doubled Up Count (new)**

- More doubled up (525) found than total count of persons in TH (488)

- **Unsheltered Count**

- Significant increase of **22%** from 2016 to 2017 (136 to 166) due to more participation, training, and identification

Important Findings (cont'd)

- **Transitional Housing**

- Total persons over age 24 significant increase of **24%** (169 to 209) due to increase in TH beds
 - Net decrease in youth TH beds (movement from TH to RRH)

- **Chronic Homeless**

- Total persons significant increase of **54%** from 2016 to 2017 (175 to 269)
 - Increase almost entirely within unsheltered count (+82 persons)

Important Findings (cont'd)

- **Sub Populations**

- Significant increases and decreases within all sub populations across sheltered (TH/ES) and unsheltered counts
 - HIV/AIDS increase due to new targeted TH projects (MN Aids Project)
 - Decreases possibly due to incomplete data, using HMIS, or definitional changes within individual agencies (severely mentally ill and chronic substance abuse)
 - Significant increases across almost all subpopulations from unsheltered count

- **Full Report Available on Google Drive in HHR Outcome Reports folder:**
