Dear Chee,

Thank you for contacting the city regarding your pending assessment for 1894 Mechanic Ave. You stated that you have already made the payment to the hauler and would like to have the assessment removed. Republic Services stated they did *not* receive a check in the mail for \$5.63 but they did get the check you mailed them for \$112.57, and that was applied to your account on May 3, 2024 (the late fee was added to your account on April 25).

Please reply to this email with proof of payment for your garbage bill for Quarter 2 (April - June) 2024. You can submit a bank statement, receipt, or account ledger with your hauler. Make sure that the date, amount, and Republic Services are all visible in the image. You can send a picture, screenshot, or file and attach it to your email reply.

Account and credit card information should be removed or blacked out on statement before submitting.

Jillian

Hello Julian,

I have attached 2 documents that show I made a payment in May and July 2024 to my garbage hauler. I understand that I made the payment late for the April bill which caused the late charge.

My question is that I made a payment at the City of St Paul's website for the amount of \$5.63 on 7/15/2024. I just wanted to know what happened to my payment in July. Please let me know if you are able to find the missing payment. Thank you for your time.

My address is 1894 Mechanic Ave

Hi Chee

I have received your bank statements and have asked Republic where the \$5.63 went. I will let you know when I hear back from them

Hi Chee

Do you happen to have an email confirmation of your \$5.63 July payment? I am looking for a number that starts with STP. The assessment office can look up the code and see if it was applied to a different address instead.
