TO: Shari Moore  
FROM: Joe Mansky  
SUBJECT: PROPOSED NEW POLLING PLACE LOCATION

Subsequent to the completion of our annual inspection of our polling places, we were informed that the management at St Patrick's Church no longer wanted to have us use their facility as a polling place for W5 P8. We have now found a possible replacement.

Ward 5 Precinct 8

Current location: St Patrick's Church

Proposed new location: Mosaic Christian Church

Reason: The management at St Patrick's is no longer willing to make their facility available to us as a polling place. Mosaic Church has adequate space and parking to meet the needs of the voters and election judges.

As with the other polling place changes, we will mail a notice of the new polling place location to each affected voter during the week of July 14.

Please let me know if you have questions about any of this additional proposed change.
