Re: Appeal for property at 1800 Wilson Avenue  
File ID: RLH FCO 11-8 (ALH 11-464)

Dear Ms. Lo:

This is to confirm that on April 26, 2011 at the Property Code Hearing, Marcia Moermond, the Legislative Hearing Officer recommended an extension to July 1, 2011 to repair the foundation on the porch and sidewalk. The egress windows were previously granted on April 12, 2011 hearing and the heating system (Item 5) must be completed by September 15, 2011. Per your request, I have enclosed an Existing Fuel Burning Equipment Safety Test Report. This form will need to be completed by the licensed contractor for the furnace. Also, enclosed is the Smoke and Carbon Monoxide Detector Inspection Affidavit. This form will need to be filled by you indicating that all smoke detectors and carbon monoxide detectors were installed and working.

If you have further questions, please contact me at 651-266-8563.

Sincerely,

Mai Vang  
Legislative Hearing Coordinator
