Re: Account # 3-0923-8613771

Dear Sir or Madam:

I have received your recent Periodic Notice of Non-Payment for the service period of April 1 to June 20, 2020. I should not be billed for this period.

I tried calling today to discuss the problem, but hung up after spending 15 minutes on hold.

Early in the year I sent an Application for Temporary Service Hold from April 7 to August 25, 2020. (A copy is attached for your reference.) Since my home in St. Paul is a second home, I am often away for long stretches. It is hard to estimate in advance so this is the first time I attempted to take advantage of the service hold.

I did get a phone call ^{to confirm dates in} ~~in response to~~ the Service Hold request, so I know that it was received at your end. It was not clear from the phone message that I needed to call back. If that is the reason the application was not processed, I apologize.

No trash has been picked up since I left St. Paul at the end of March because I was not there to put out any. I trust you will correct the billing and cancel the charges for this period.

Sincerely,

Mary Habstritt

Application for Temporary Service Hold

A Service Hold is allowed for suspending garbage services due to an extended absence of at least four (4) consecutive weeks from your residence for vacation, medical reason or other valid reason. It is not a legitimate absence to apply for a Service Hold to avoid required garbage service. A Service Hold may not be used to share garbage services with another unit or property. All residential properties with 1-4 units must each have service and a garbage cart per unit.

To be eligible for a Service Hold, the request must meet the following additional requirements:

- You must place the Service Hold request with your hauler at least two (2) weeks in advance of the requested start date of the Service Hold.
- The length of time for the Service Hold request must be at least four (4) consecutive weeks minimum, but no more than 26 weeks per year.
- An RDU may only be placed onto a Service Hold up to two (2) occurrences per calendar year, and the total time service is on hold cannot exceed 26 weeks in the calendar year.

Certification: I certify by submitting this application that the Service Hold being requested meets the stated requirements of a Service Hold, under penalty of the City of Saint Paul City Code of Ordinances.
