Hi Mai,

I see no point of talking because event talk city council, city of st. paul, never help a small citizen like me , who work very hard and pay tax, but city tense to take away money that we work and give it to private company.

Anyway, thanks for your help.

Moua

Ms. Moua,

I noticed I got your email wrong so I am resending you the videos. Also, we were not able to reach you for hearing yesterday, June 16; therefore, the matter has been continued to July 7 between 9 and 11 a.m. We have checked the record, and there were two refrigerator complaints. One was with a handle near your back porch (this is the assessment we are talking about). Then there is another one w/o handle on 2/4/20.

Let me know if you still wishes to contest.
