I think he still has work to do, and the shed does not meet code. I would like Dick to issue new orders and give him time to complete the remainder.

So for now, we could close the file as substantial compliance, and let Dick issue new orders if Marcia is ok with it?

Thanks

Are you closing the file or giving him extension to finish the rest?

Good afternoon Mai,

I did take photos today. I have attached them to the e-mail and entered them into AMANDA.

It is not perfect, but is substantial compliance. I will wait for your response before taking any action.

Thanks,
Dick
