

# Rainbow Child Development Center Floor Plan

Total square feet of primary space: 2520

Total number of sinks: 10

Total number of toilets: 5

Lead Teachers in each classroom are responsible to lead children to safety with the help of Teacher's Assistants and Aides.  
 One staff person will call 911. Each group of children must bring the sign/in out clipboard and a First Aid Kit.  
 The Center Manager or Director is the last person out of the building and is responsible to make sure everyone makes it safely to the designated areas.
