05/29/2009	<a href="#">09</a> <a href="#">079113</a>	Resolved	CS - CSO Complaint - License - Complaint	I live one block from the American Legion . There is a big problem there with liquor-they cannot handle it. Every Fri. and Sat. Nite they leave the Legion these things occur? Loud noise, you can hear it a block away late at night when people are sleeping. Fighting among themselves. Police are called , there was a person run over by a car. I have to clean my yard every week of used food wrapper, empy beer bottles and liquor bottles. The littering is enormous. Today found a military issue fully loaded bullet, which I immediately too to the nearest police station. It's a good thing- the man who mows my grass could have been shot. The people who live around here do not like this at all. Not only is this a community problem, but also a olice problem on a constant basis.
